Dear Bill:

Enclosed with this letter is one copy of CMCC Doc. No. 151X5.831 dated 18 November 1957 with inclosures which forwarded the contractor's recommended lists of FAK, Depot Spares, and SLOE for System 4. You are requested to review these lists and forward your approval and/or comments to me. Equipment Lists AA, BB, and CC may be retained at your depot, but please return the basic letter, the cost summary, and the cost estimate to this office.
